

# Mentorship Program

One-day, on-the-farm experience allowing students to explore a career in production agriculture

---

## What the Students Say:

"This program will open your eyes to new things and a different way of performing tasks on a dairy farm."  
-2009 Student Participant

"Coming from a small farm in Iowa, it was a great chance to spend time on a larger operation in Wisconsin"  
-2009 Student Participant

"I really enjoyed being able to ask my mentor questions while visiting their farm as well as networking with industry leaders at the PDPW conference."  
-2009 Student Participant

For more information or an application, please contact: Darci O'Brien at [dobrien@pdpw.org](mailto:dobrien@pdpw.org) or at 608-412-0821.

This program is not only free-of-charge but both the student and producer will receive complimentary registration to the Annual Business Conference March 16-17, 2010 at the Alliant Energy Center, Madison, WI. Applications due **December 1<sup>st</sup>**,

## What the Producers Say

"It's a win-win deal. We learn from each other. The dairy industry is alive and kicking in these students." -2006-09 Mentor

"This is a way for me to give back to the future of our industry." -2008-09 Mentor

"This program allows me to look for potential employees as these students are going above and beyond what their studies require. Those are the kind of people we want managing our farm." -2009 Mentor
